Dear Alex, \* Stephanux. \*

My name is Lissa-Elisga-Stephan and my home is in Dar-es-salaam, Tanzania. I'm staying in a boarding school called "St. Theresa of child Jesus Secondary School," It's a new school like 2 years but it's for girls only. We usually get up at 5:00 and go to class at 8:00. Our school is located in the land of the Maasai. It's sometimes cold especially in the morning and at night.

I'm a pretty good student too but my best subjects are biology and English. This is my first year in secondary school. Here in Tanzania we have 120 tribes including the Maasai. The tribes which are found here are Pare, Chagga, Sukuma et. My tribe is Chagga but the Maasai are famous here in Tanzania. We have National Parks like Serengeti, Manyara and Ngorongoro. Lakes that we have are Lake Tanganyika, L. Victoria and L. Manyara. This is all I can say about my country but there are many things which are interesting. Tell me about California?

About my family we are three children, me (13 yrs) my young brother, Bernard (12 yrs) my youngest brother, Ian (5 yrs). I really like swimming, dancing and playing tennis. Well my nick name is Baby Beauty, you can call me that or my real name.

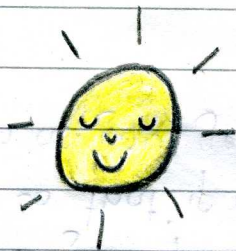

My birthday is on 29<sup>th</sup> May 1995. Do you like going to the beach? Tell me about your family, how cold is it up there?

Please send me your picture and your family's, phone number and your address so that if we are on holidays we can chat. Reply me as soon as you get this letter.

Yours

10

Alex
