Hello Kevin Liebson!!,

My name is Priscillah Anselim. I'm 14 years old. I'm at St Theresa of the child Jesus Sec School in Arusha in North Tanzania. This is a boarding school. We go to school for five days a week that is Monday-Friday. As you might have heard Tanzania is a very peaceful country and so it is enjoyable living in here.

In school subjects like Language (English), Kiswahili, Geography, History, Biology, Chemistry, Civics and Maths. I am new in this school. I really love the school coz it's beautiful. I'm in form one (probably equivalent to 8<sup>th</sup> grade). The languages offered at my school are English and Kiswahili.

At home I stay with my parents, sisters and brothers. I'm the 3<sup>rd</sup> in my family. I'm of medium size. I have short black hair, black eyes. I have brown complexion. At home I have a room of my own as our house is kind of big. It is in Dar-es-Salaam, Tanzania's commercial city.

During my free time I like hanging out with friends, swimming, watching cartoons, movies and series. I also like playing tennis. My best dish is Mtori (a mixture of cooked bananas and meal).
