Dear Alex Stephanux

My name is Rosemary. My family lives in Kimara Dar-es-Salaam. I'm studying at St. Theresa of child Jesus - Secondary school. It is my first year in secondary school. The school is in Arusha a city in northern Tanzania. Arusha it is very cold sometimes. There are 126 students in our school. And is a boarding school.

I'm 13 yrs old. My birthday is on 1<sup>st</sup> March. When is your birthday? I live with my parents and we are two in our family (my young brother Jonathan and I) I love my family very much.

My hobbies are reading, listening to music (Gospel) and singing. My favourite movies are Fat Albert and The Polar Express. My favourite colours are white and pink. My favourite dish is chicken chips and some sweet bites. My best game is running. I enjoy it very much.

By the way I'm not a Maasai. I'm Jutta by tribe. Our school is located in a Maasai land. In Tanzania there are 120 tribes including the Maasai.

In Tanzania we've got many interesting places like Serengeti, Ngorongoro, Manyara and Mikumi National parks. Mt. Kili Manjaro (the highest mountain in Africa) Lake Victoria. Lake Tanganyika (the deepest lake in Africa). There is a unique mineral found in Tanzania known as Tanzanite. That's all about my country. Please

tell me more about your country send for me  
your e-mail, phone number, your snaps and  
Home address if you can.

Faithful
