

10TH SEPTEMBER 2008.

Dear Jose

My name is Bibrian. I am 14 years old, and was born on 3rd December 1994. I am the third born in our family. The school which I attend is St. Theresa Secondary School and I'm in the 8th grade. In my school we are only 85 students and it's a boarding school, it's in Arusha in Tanzania. Our school is in Maasai land. In front of our school there is nice garden and each and every visitor is very much impressed on seeing the beautiful flowers. The languages which we are using in our school are English and Kiswahili, and we are having 9 subjects.

I would like to tell you a little bit about my hobbies and other things which are interesting. My hobbies are dancing, swimming, reading novels, watching movies and chatting with friends. My favourite colour is pink and my favourite TV programme is Cartoon network. I'm of medium height, and I'm brown.

Another thing which I would like to tell you is about my country Tanzania. Tanzania is one of the most peaceful countries in the world, and it has a lot of national parks and game reserves. Here are examples of national parks in Tanzania, Ngorongoro, Manyara, Mikumi and Serengeti which is the largest national park in Tanzania. That's all about my country. I don't have much to tell you but remember a person without education is like a perfume without a smell. I would like to ask you some of the questions.

- Where do you live?
- How old are you?
- How do you spend weekend?
- How many members are there in your family?
- How many brothers and sisters do you have?
- Where are they and what are they doing?
