Hello! Sandor

My name is Rahma and I live in Mbezi, Dar-es-salaam in Tanzania. I am brown, and I have a mother, father and two brothers. I have black curly hair and brown eyes. I am medium height (143cm). I like sports, and follow them very closely. My best hobbies are, swimming and listening to music. I am glad to hear that you are all new to your school and so we have something in common.

Are you faithful? I ask you this because I myself am very faithful and whenever you ask me to do something I will do it.

Please I would like you to send me your snaps and email or postal addresses. I am in a girls boarding school and this is my first year in secondary school. My best subject is Chemistry. My ambition is to be a Professor.

One day I would like to go visit the United States of America. So we can make some arrangement for us both to visit each other. I am real very glad to have a penpal like you who have a penpal all the characters that I want. Let's be honest and faithful to each other. Hope to hear soon from you. Bye sweet penpal!
