Hello!!!!

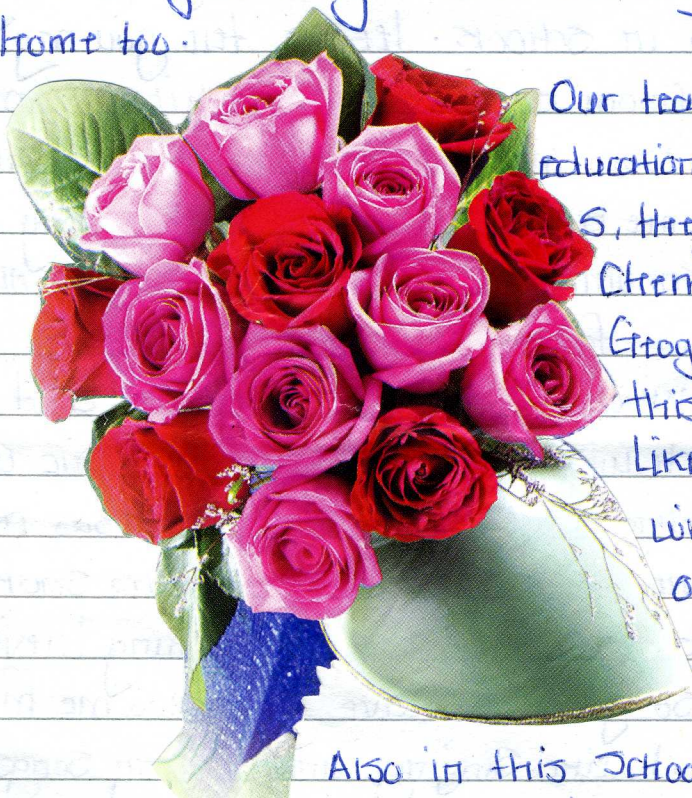

Niko

My name is Sarahina. My nick name is Queen. I was born in Mwanza But I lived half of my life in Arusha. Arusha is one of the City in Tanzania. I am fifteen years old. I was born on July, 07, 1993.

I am a bit fat, I have a medium height, my hair are wavy and black, My mouth is dark brown, I have a dark brown complexion. I am in 8th grade, I am a kuya girl coming from Mwanza.

I have two parents. In my family we are seven. I have three sisters and two brothers. The names of my brothers are Luca and James. My sisters name's are Maryanne, Estah, Happy. The names of my parents are Joyce and Thomas.

The name of my school is St. Theresa, this school is of mission is a boarding school, this school is new, this school is at the northern of Tanzania. I am so proud to study in this school. This school is for girls only. I wish one day you will visit my school and my home too.

Our teachers are so good, they gives us more education. In this school they teach us ten subjects, they teach us Math, Kiswahili, English, Chemistry, Computer, Biology, History, Civics, Geography and physics. But in all this subjects, the best subject which I like is Biology. Because Biology deals with living organisms and non-living organisms. How about you which subject do you prefer most? And How many subjects do you have in your school?

Also in this school we have many interesting things

I sometimes feel shy, but I try my level best to contribute to the debate.

My life is great here in Tanzania. Tanzania are places which are very interesting to see. We have national parks like Serengeti, Mkuu Manyara, Ngorongoro, Tarangire. We have historical sites like Pwani Island, the shores of Lake Tanganyika, Olduvai Gorge, Bwanjari, Gilgil. In national parks there are different types of animals like lions, hippos, elephants and many more. We have game parks, we have museums, we have lakes like Lake Kyoga, Victoria, Tanganyika, Rukwa, Eyasi. We have mountains like Mount Meru, Kilimanjaro. We have an East African rift valley. It extends from Jordan through the Red Sea, Ethiopia, East Africa to the lower Tumbesi area.

A branch of it runs along Lake Tanganyika in Tanzania to Lake Albert in Tanzania. This African rift valley is the longest rift valley in the world. We have rivers like River Congo, Limpopo, Tumbesi, Nile, Niger, Orange. We have oceans like Indian Ocean. We have forests and waterfalls.

In Tanzania there are 120 tribes. And each tribe has its own language and culture. Swahili is our common language. English is a medium of instructions in schools. Let me tell you my favourite things, my favourite colour is pink, my favourite animal is lion, my favourite flower is rose, my favourite TV programme is More than love, my favourite game is net-ball, my favourite city is Mwanza, my favourite actor is Konumba, my favourite singer is Alimic. What about you? What are your favourite things?

Let me introduce to you what I like, I like drawing and decorating pictures, going beach with my friends, going picnic with my friends, reading novels, reading story books, doing exercises, chat with my friends, visiting different game parks, national parks, snake parks, swimming, making stories with my friends, watching television playing different games. I am so glad to have you. Also music is a very big part of my life. I like singing and writing songs. Please can you send for me one of your songs? Please can you tell
