I am in a boarding school called ST. THERESA SECONDARY SCHOOL. I am in form one (Perhaps this is the same as grade 8). I like my school very much. In our school we study, Biology, chemistry, Civics, English, Mathematics, History Geography, kiswahili, Computer and Physics. But my best subjects are, Geography, mathematics and physics. In school we also have clubs like Debate, listening to music and dancing. We also play games like netball, running and volleyball.

My ambition is to be a Pilot. My favourite games are Tennis and netball. My hobbies are singing, listening to music, dancing and reading novels. I like dogs and horses. At home we have one dog called Egzibit. I love him very much. I also like drawing flowers and clothes.

Few days we had a trip to Ngorongoro Crater. It's a big area with a lot of animals like elephants, zebras, lions, wildbeast etc. Also we went to Manyara National park to see the lake Manyara and animals. In Manyara we saw a hot water spring. It was very interesting. I wish you could come and enjoy the national parks.

In Tanzania we have mountains like Mt. Kilimanjaro (The highest mountain in Africa), Mt. Meru also National parks like, Manyara national park, Ngorongoro National park, Serengeti national park etc. There are some questions to ask you.
