Dear Alina

My name is Mary-Assumpta but my friends call me Miss Pink. I'm 13 years old and I was born on the 7th August 1995. I live in Dodoma the capital city of Tanzania.

I'm a little bit fat, I have a medium height, black wavy hair and my complexion is light brown. I'm in grade 8 and this is also my first year in high school. As you know I'm in boarding school and it's sometimes difficult to be far from home but on the other hand it's sometimes fun to get to know other students coming from different places.

My hobbies are singing, camping, having picnics, going to the beach, hanging out with friends, hiking, dancing, playing basket ball, going skating and while swimming I like wearing a hot pant and it's top as a swimming costume.

The best outfits I like putting on are designed dress free trousers, dress tops and wearing flat shoes. I like eating chocolates, ice-creams, Pizza, hamburger and chicken.

My best cartoons are the beauty and the beast, The Lion King, Cinderella and the power puff girls. My ambition is to become an Accountant.

can you please tell me more about yourself

Mary-Assumpta
